City Wardens update – Darren Evans (a written contribution read out)
We have a new City Warden for Clarendon Park, Darren Evans, who also covers Stonegate and Knighton. Darren is based at Victoria Park. He doesn't have access to Zoom but will be able to join meetings when the Covid-19 situation changes. He will be doing a big project in CP over next few weeks targeting bins on streets, side waste, fly tipping and alleyways.
If there are areas you'd like including or looking at, please email Darren.Evans@leicester.gov.uk

Police update
Insp. Mike Cawley - the new Inspector responsible for our area.
He is new to CP area from March 2020 as policing areas are now in line with City areas.

Common Issues Raised

- A handful against the scheme seemingly on principle alone.
- Those either for or against the scheme on the grounds that they want to be included.
- A handful of supportive comments along the lines of 'finally, we've been quietly waiting/hoping for this for year'.
- Why introduce a scheme in a pandemic?
- Visitor Permit questions.
- Why scheme brought in when they've previously voted against it twice.
- Many of them focus on there being only 14 requests for a residents' parking scheme
- How will you evaluate success? Criteria for decision-making.
- Displacement parking problem.
- At least one query about need for match day parking.
- Of those outside the scheme who want to be included, many are from Clarendon Park Road (south side)

VICTORIA PARK - BANDSTAND

Proposal - to provide a 6.5m diam. x 5.5m high 'Heritage' bandstand on a raised brick plinth within the community area of the park. Community seating could be provided in the form of brick or timber filled wire gabions with timber benches secured to the top. The gabions could be sited in gentle curves around the bandstand to emphasise this focal point and to provide informal seating for concerts . The gabions will also provide a habitat for wildlife.
