Police Update

Advice for all:

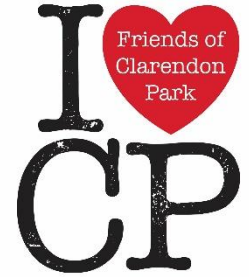

1. Keep alley gates locked at all times
2. Remove keys from rear doors & windows
3. Lock cycles / motorbikes securely to walls / other solid objects
4. Keep sheds & outbuildings locked & bolted
5. Consider window alarms, house alarms & external motion sensor lights
6. Identify potential weak spots in your own home security

Note: Leicestershire Police do not have access to Facebook Groups etc, so can't see footage of crime shared via social media – please call 101 with the victim's crime number so that it can be channeled to the appropriate officer.

Lisa Wileman, PCSO 6654 (Leicestershire Police)

City Wardens Update

I have been monitoring the business on Queens Road and have received a few complaints regarding **business bins**. These have now been actioned and the company has removed the bin and waste

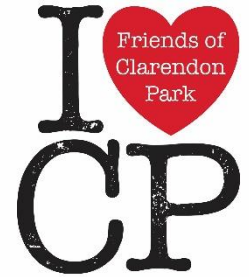

Due to the new term we will be conducting a **bins on streets** project around the area in November. This will be with in conjunction with Rob Perrin who continues to be a great asset to the wardens and Clarendon park.

Fly tipping is being monitored and actioned where identified and community protection warnings have been issued with all being completed by the residents.

Should anyone have any complaints or issues please email me directly at:

Darren.evans@leicester.gov.uk

UoL Update

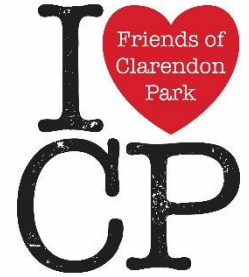

Freemen's Common:

- First occupants arrived on 17 Sep 2022
- Officially opened on 24 Oct 2022
- Tour for FCP members in early 2023

Michael Flanagan, Director of Estates & Digital Services

EV Charging Bays

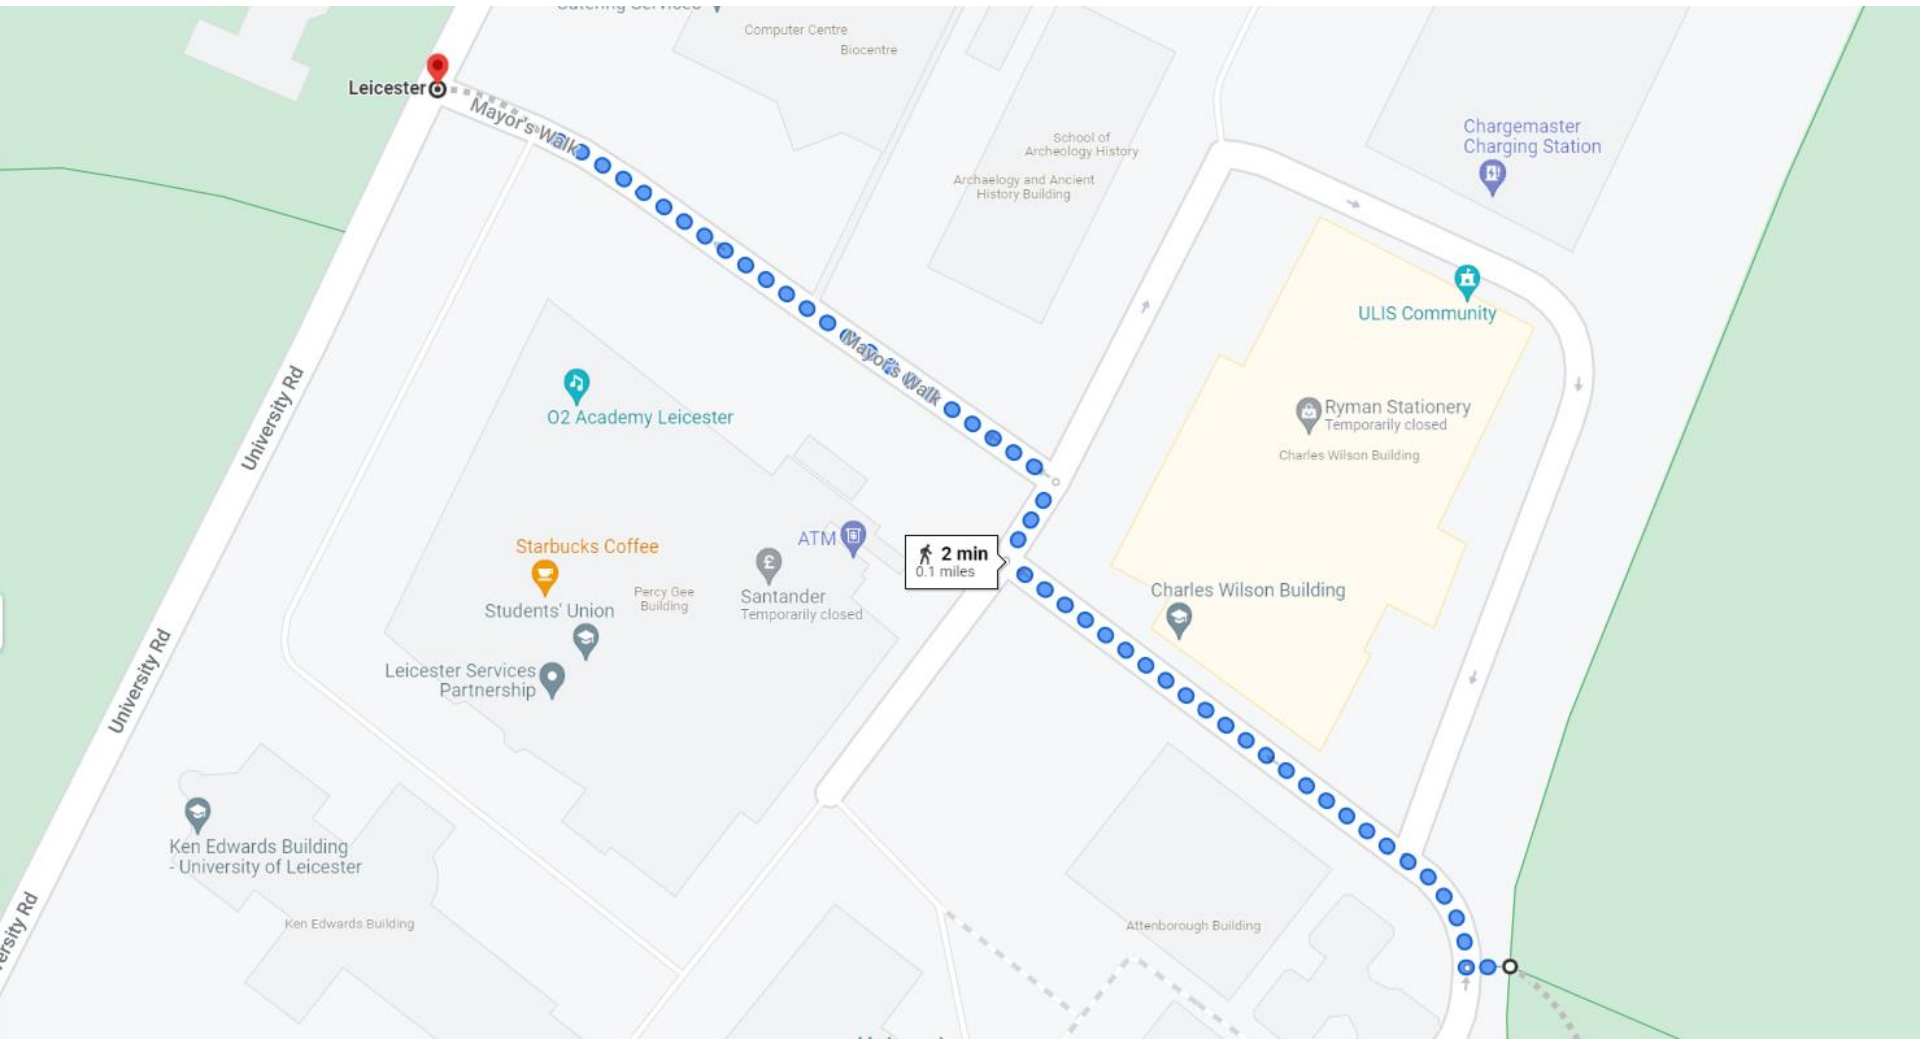

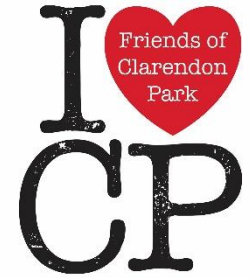

- We have received substantial monthly use data on the residential chargers.
- This will require some analysis to fully understand and compare take up.
- Well used chargers include Portland Road, Clarendon Park Road & St Leonards Road.
- It will be useful to study kW's used, times of day, charging times and a comparison from other residential chargers to see a better picture.
- A consultant is undertaking this work for a better understanding for a forward strategy.
- We are in discussions with charging operators for more options for residential solutions to cover the considerable match funding that Government funding requires.
- We hope to be able to supply you with something more substantial to share at your next quarterly meeting.
