Freemen's Common:

- No specific updates
- Student recruitment remains strong
- Major developments complete
- Michael Flanagan leaving UoL
- Tour date for FCP members TBA

Michael Flanagan, Director of Estates & Digital Services

michael.flanagan@leicester.ac.uk

Leicester Quaker Meeting

Defibrillator campaign – Graham Beck

Defibrillator for Queens Road

The Leicester Quaker meeting is planning to install a defibrillator on the outside of our meeting house on Queens Road, providing full public 24/7 access to serve the local community and we need your help to achieve this

We are working with the charity AEDdonate to fundraise from within our meeting, from our meeting house users, and hopefully from the local community including retail establishments along Queens Road. Leicester City Council have suggested that they will look favourably on our application for a contribution to the fundraising appeal.

Should you wish to donate click on the link or QR code below for our online donation page

It is important to ignore the donate button at the top of the page. That button donates to the AEDdonate general charity and not to your local fund.

Scroll down the page, complete the form and press the donate now button at the bottom

<https://www.aeddonate.org.uk/projects/23-091/>

Bid to raise money for defibrillator

QUAKERS are raising money to a defibrillator on the front of a meeting house.

The life-saving kit in Queens Road, Leicester, will be available round the clock.

The fund-raising is being supported by friends, house users and businesses.

Graham Beck, on behalf of the Quaker fund-raising team, said: "This will provide a real benefit to the community as the nearest defibrillator to our position on Queens Road is around 500 metres away.

"This is well outside the safe distance specified by the ambulance service."

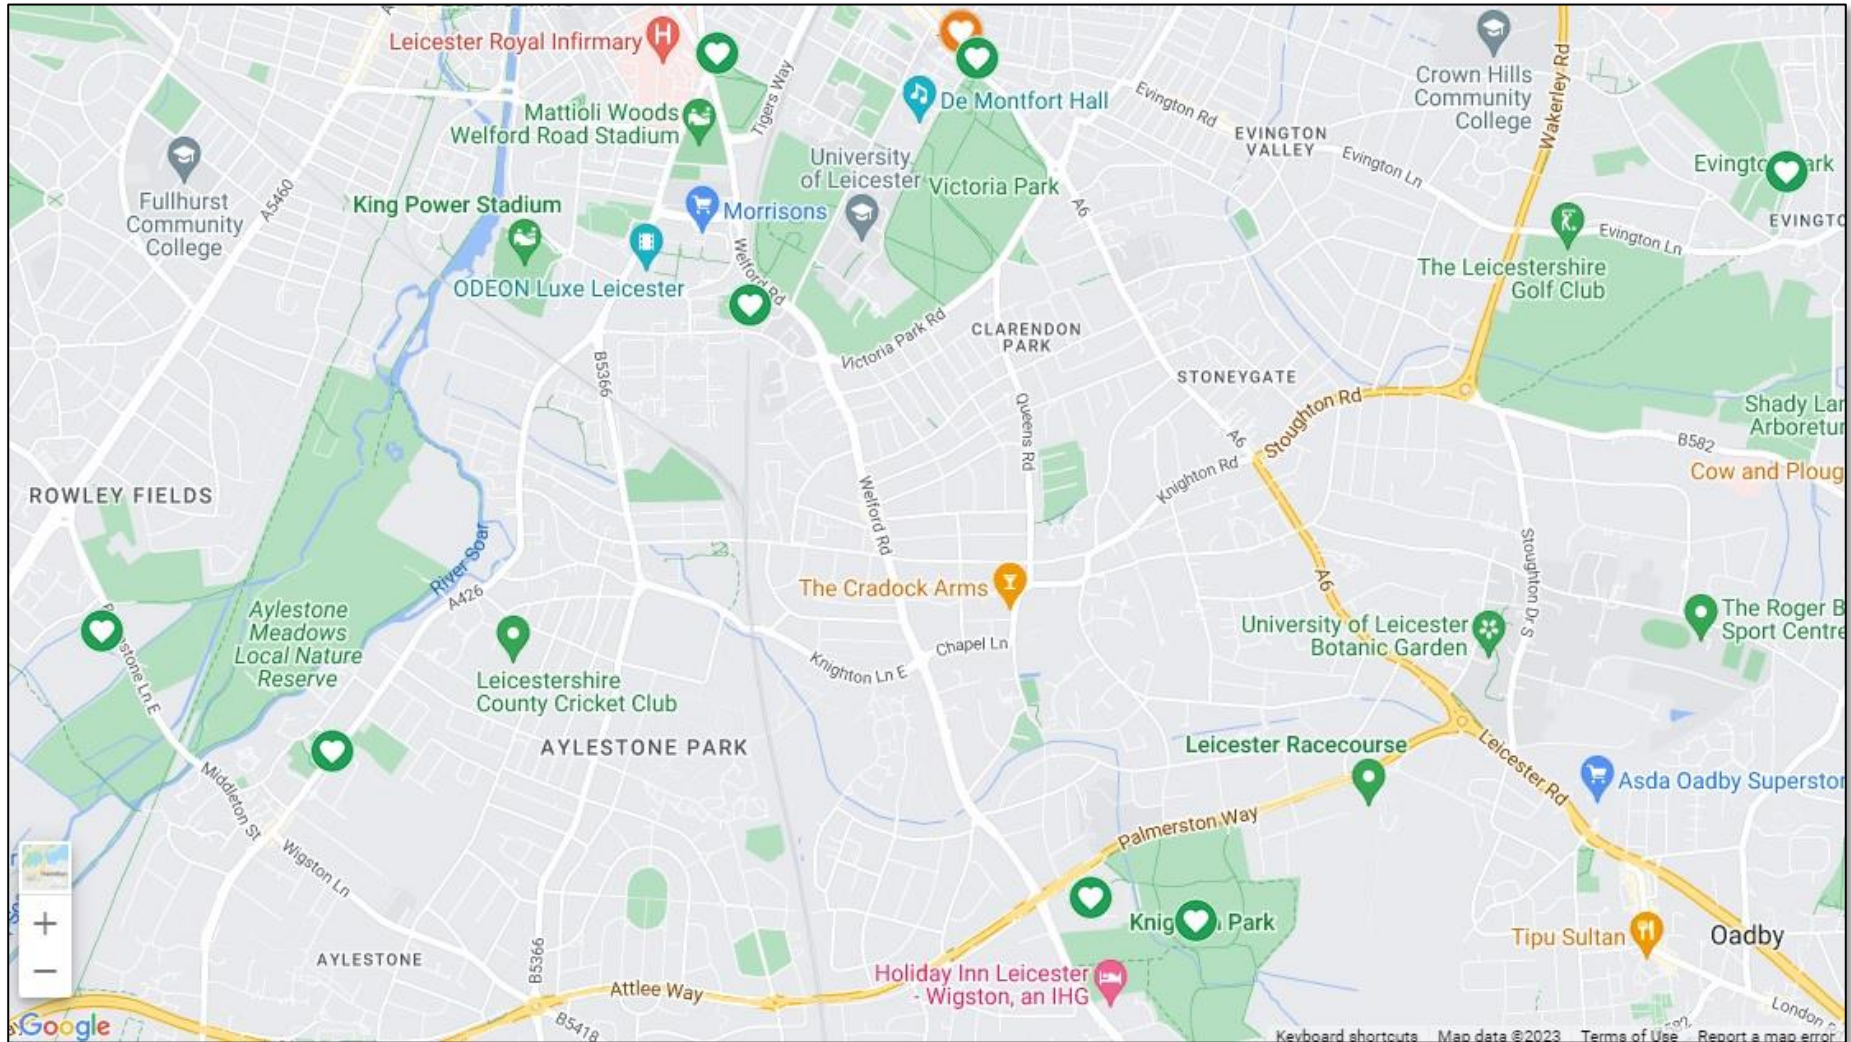

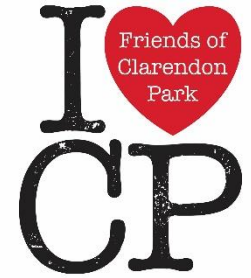

There are over 30,000 out-of-hospital cardiac arrests a year where emergency medical services attempt to resuscitate the victim.

The survival rate is one in 10, but one in 16 people in the East Midlands.

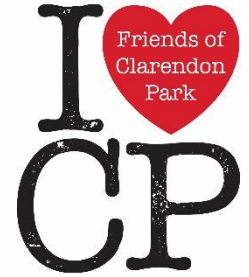

If you would like to make a donation, please visit:

[aeddonate.org.uk/projects/23-091/](https://www.aeddonate.org.uk/projects/23-091/)

LEICESTER QUAKER MEETING DEFIBRILLATOR CAMPAIGN

[GET IN TOUCH](#)

Leicester Quaker Meeting

Placing defibrillators in YOUR community

Leicester Quaker Meeting are working alongside AEDdonate to have a defibrillator installed in their community.

30,000 people die each year from out of hospital **Sudden Cardiac Arrest** (SCA), 620 of these are people under the age of 35 and 270 of these deaths happen to children within schools. If defibrillation takes place within the first three minutes of a SCA, the patient's chances of survival increase by upwards of 80%.

Having the defibrillator installed means that it can be deployed by the local ambulance trust in a bid to give the patient the all-important shock to the heart prior to the ambulance arrival. The defibrillator is by no means a replacement to the ambulance service, it just allows patient treatment to commence immediately.

If you can help by donating, supporting with a fundraising event, or taking on a virtual sponsored challenge then please [contact us](#).

If you are interested in becoming a Community Champion yourself or are aware of any places which may benefit from having public access to a defibrillator then please contact us on [01785 472224](tel:01785472224) or email us on info@aeddodate.org.uk. We will help you manage the campaign from start to finish, providing fundraising materials, a page just like this one and in some cases helping you to help your community on its way to becoming heart safe.

*Funding is dependent on your location as to what we have available from our funding partners. Funding changes on a daily basis, call us to find out more.

Footpath at WQE College

LEICESTER CITY COUNCIL DEFINITIVE MAP AND STATEMENT WILDLIFE AND COUNTRYSIDE ACT 1981

FOOTPATH AT WYGGESTON & QUEEN ELIZABETH I COLLEGE, LEICESTER ORDER 2022

The above Order, made on 13 December 2022, if confirmed as made, will modify the definitive map and statement for the area by adding the footpath from Victoria Park Road to University Road.

A copy of the Order and the order map may be seen and downloaded via the Leicester City Council website: leicester.gov.uk/transport-and-streets/traffic-regulation-orders/ or contact the Customer Services Helpline on 0116 454 1001.

Any representation or objection relating to the order must be sent in writing to Paul Standley at paul.standley@leicester.gov.uk or to Paul Standley, Planning, Development and Transportation, Leicester City Council, City Hall, 115 Charles Street, LEICESTER, LE1 1FZ not later than 27 January 2023, and applicants are requested to state the grounds on which it is made.

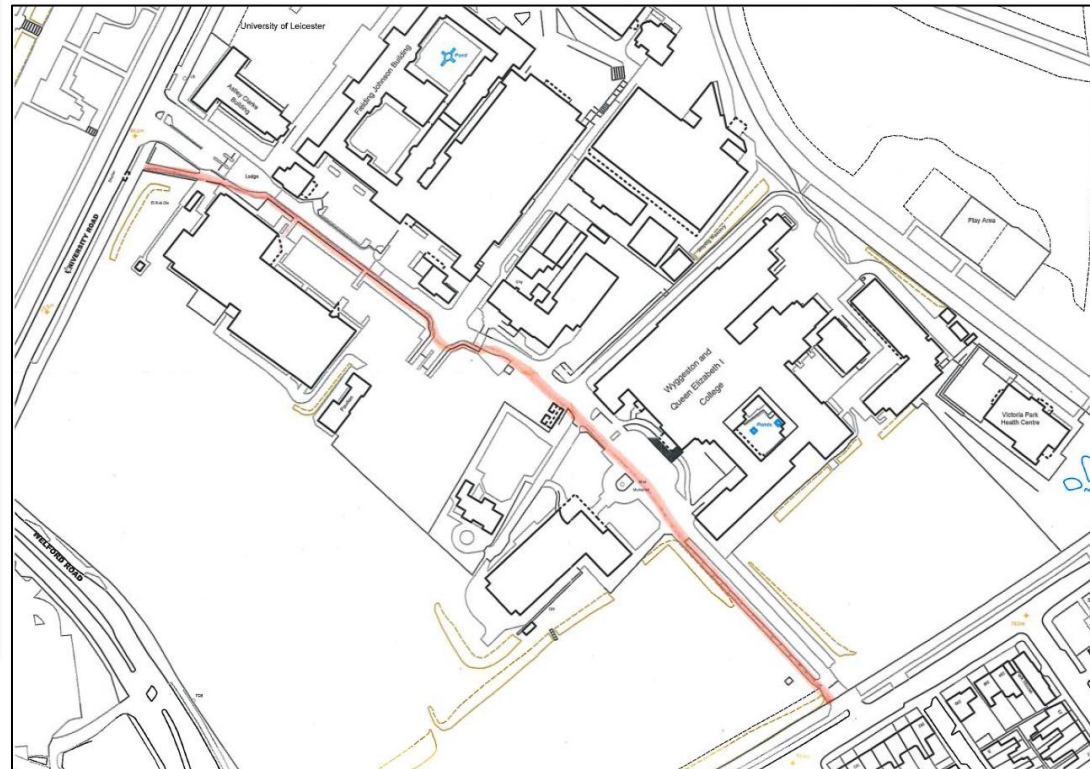

If no such representations or objections are duly made, or if any so made are withdrawn, Leicester City Council may confirm the Order as an unopposed Order. If the Order is sent to the Secretary of State for confirmation any representations or objections which have not been withdrawn will be sent with the Order.

Dated this 16th day of December 2022

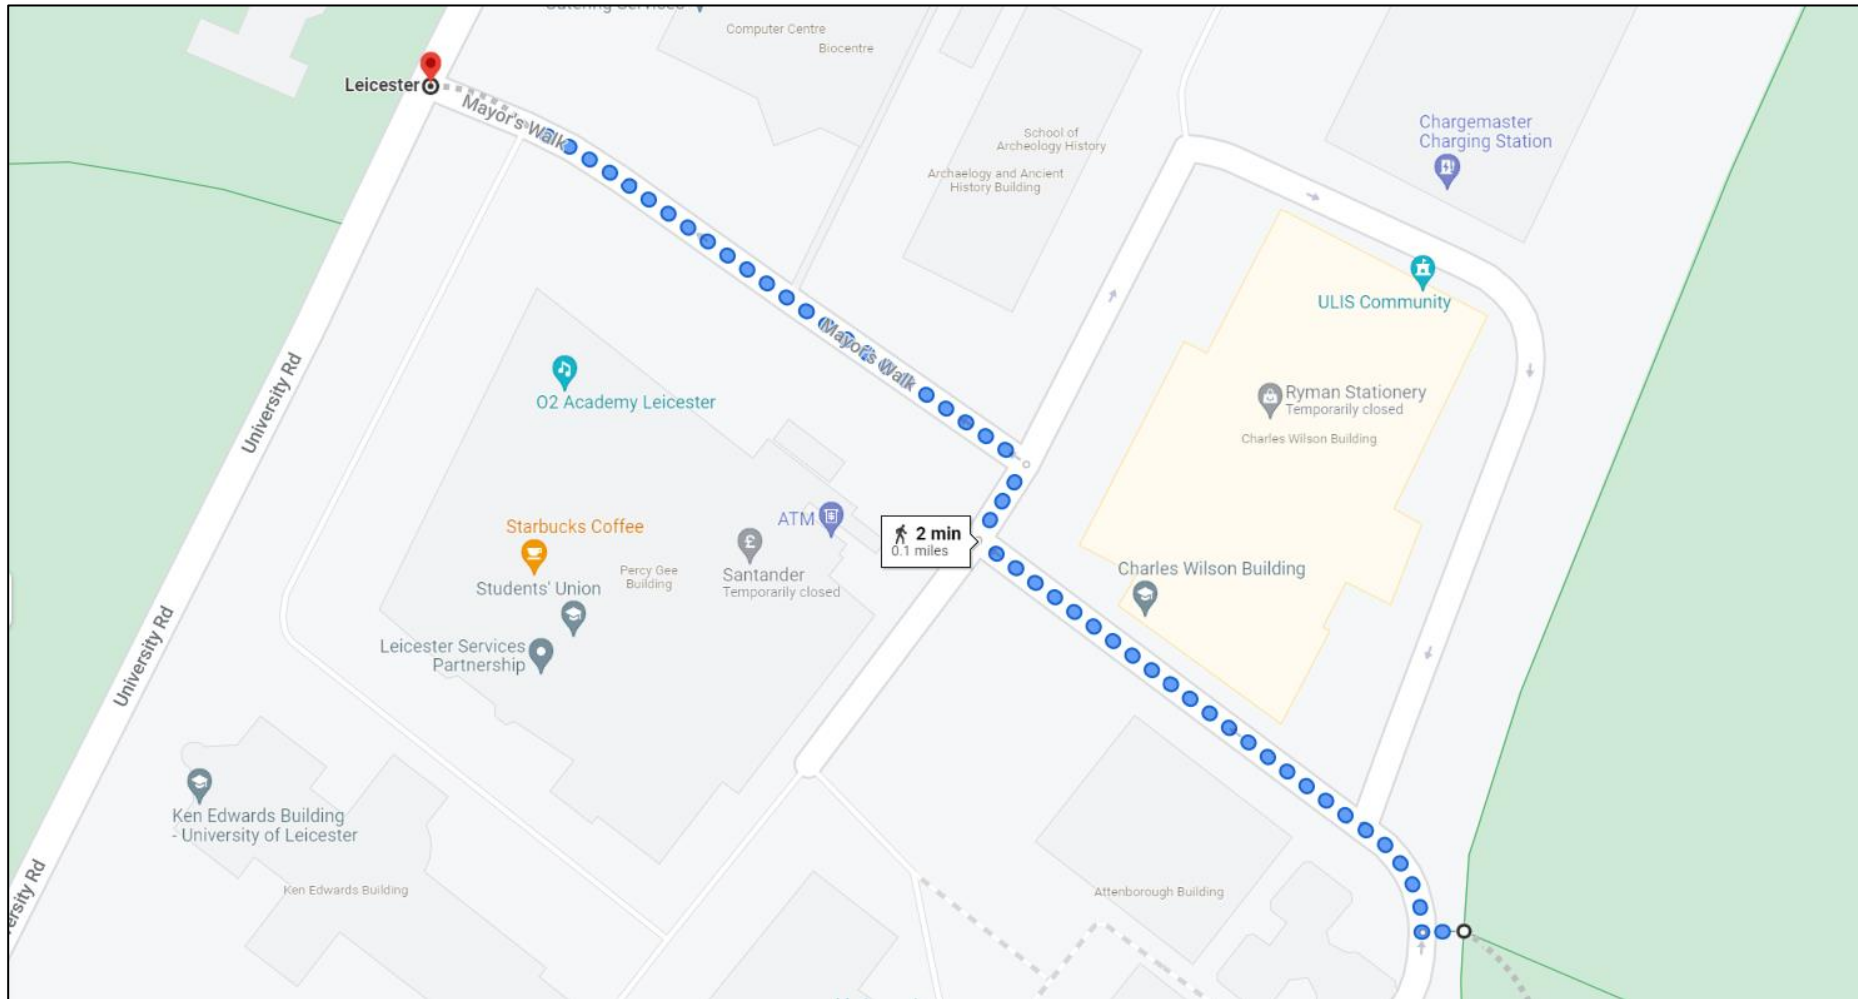

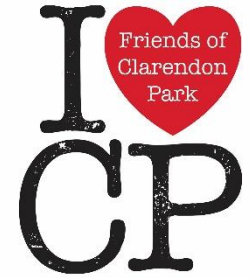

Kamal Adatia

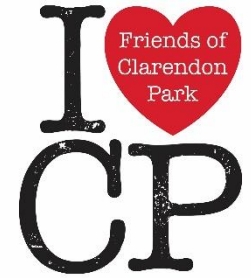

City Barrister & Head of Standards

Leicester City Council, City Hall, 115 Charles Street,
Leicester, LE1 1FZ
